Stewardship

Jesus is the Reason

In today's world the Christmas season starts on the day after Thanksgiving and ends on

December 25. For many of us this time is filled with baking, sending cards, choosing gifts, attending parties, and setting up a Christmas tree and decorations. Add to this our daily work schedules and the needs of our children and this time of the year can be very stressful. The Church puts a different emphasis on the next four weeks. This is Advent, the season of expectation, with scripture readings and prayers calling on us to prepare in our hearts and lives for the Lord's coming on Christmas Day. According to our heritage, we may already have Advent customs such as the lighting of candles on the Advent wreath, a Jesse tree, setting up a manger scene ready for the Christ child at Christmas, or special devotions. An Advent tradition from Germany called *Kristkindl* (meaning "Christ child") is suitable for families, small church groups, or even for individuals. The original custom was for the mother of the house to pass a bowl around the family circle containing rolled-up slips of paper with a family member's name on each one. Each would take one slip and carefully looked at the name so no one else could see it. For the rest of Advent the person named on the paper became the *Kristkindl* of the person who took the slip of paper, and he or she would do at least one good deed a day for them, but without them finding out who did it! Even young children could do this. It became a treasured way of preparing hearts to serve Christ through serving other people. Honor Jesus in the person of your *Kristkindl*: pray for them, save money to send to a good cause in their name, donate gifts to a shelter, do extra chores unasked, adopt a needy family.

Fr. Fredy's Recovery,

I would like to express my most sincere appreciation for all your good wishes and prayers during this time of recovering my health. I feel so blessed and grateful to God for his great love, manifested through your kindness and care. The doctors have told me to be out of ministry for a least a month while my body is adjusting to the medication. And so far my body is responding well to the treatment. Please, I humbly ask you to continue praying for me and for our St. Norbert Community. May the peace and love of our Lord Jesus Christ, our Healer, be always with you,

Fr. Fredy Mancilla

What are you going to do to make this Advent a peaceful, holy season?

Here are some ideas:

- * Spend some time with the Lord. Pray, attend Mass, go to Holy Hour; find a way to spend quiet time with God.
- * Spend some time with your family. Make or buy an advent calendar, an Advent wreath or a Jesse Tree. Sing Christmas carols together or watch a great Christmas movie. Be intentional about spending time during the season just being present to each other.
- * Adopt a family in need from our community and shop for gifts as a family. (**See page3!)
- * Visit an elderly home and hand out homemade cookies.
- * Take a few small gifts to a shelter for women and children.
- * Write a letter to a family friend or some troops stationed overseas.
- * Wear Santa hats and take a garbage bag to clean up garbage from your neighborhood.
- * Read one story from a children's Bible each day starting December 1, and teach your children how the whole Bible leads to Christmas. (*The Jesus Storybook Bible: Every Story Whispers His Name* is good for this.)
- * Write a letter to Jesus, thanking him for the gifts you received throughout the year.
- * Spend some time at St. Norbert. Attend one of our events during Advent: Mañanitas, or come to our Parish Advent Penance Service (December 14)...and just remember what this season is truly about.

Watch the bulletin and your Christmas mailer for details.

Special Collection for the Archdiocese for the Military Services

Next weekend, **December 3 and 4**, we will take up a special collection in

support of our family and friends who have served this nation with distinction. The Collection for the Archdiocese for the Military Services (AMS), which occurs once every three years, offers each of us a substantial way to "serve those who serve." Funds raised will help the AMS provide the Gospel, the sacraments and other forms of spiritual support to the men and women of the United States Armed Forces wherever they serve, no matter the circumstances, as well as their families and patients in our nation's VA Medical Centers. Please prayerfully consider a generous contribution to the national Collection for the Archdiocese for the Military Services.

It's Adopt-a-Family Time!

The Adopt-a-Family coordinators will be out on the Ramada after all Masses this weekend for Christmas Adopt-a-Family sign-ups. Spread the joy of Jesus' birth by providing a needy family with a grocery card, clothing and a toy or gift card for each child and any extras you wish to provide for the family. Choose from all sizes of families, or grab a friend and adopt a family together! Thank Our Lord for all your blessings by helping a less fortunate family have a Merry Christmas. Let's get into the spirit of giving...for it is in giving that we receive.

Thank you and God bless you for your support and generosity! If you have any questions, please call M J Cretney at (714) 637-7025.

What Was Happening in the Eleventh Century?

It is not easy to be both a ruling monarch and a Catholic saint, but several kings and queens of the eleventh century excelled in both their political and religious lives to accomplish that. Two of them, St. Vladimir I of Russia, and St. Olaf II of Norway were instrumental in the conversions of their nations, and have previously been discussed in the articles concerning the spread of Christian Faith to those countries. Joining them on the list of royal and holy men and women are St. Edward the Confessor, King of England from 1042 to 1066, St. Margaret of Scotland, Queen from 1070 to 1093, and St. Ladislaus I, who reigned as King of Hungary from 1077 and King of Croatia from 1091 until his death in 1095.

Following the rule of Danish Kings Cnut the Great and his sons who succeeded him, Harold and Harthacnut, Edward reclaimed the throne of England in 1042. He had a long reign of twenty-four years. He is the first and only canonized saint among the English royalty, although others preceding him were considered saints by popular acclaim before the church developed the canonization process. His biographers vary as to whether his character was withdrawn and pious, or worldly and exhibiting qualities not entirely saintly, such as an easily provoked anger and a proclivity

to accepting bribes. These contradictory portraits are influenced by the politics of the time. He was not a scholar, nor a patron of the arts, but he did encourage the development of architecture, including the building of Romanesque Cathedrals, a trend in church construction that was only beginning in Europe, as larger church structures before this time were built in the basilica style of the East. His greatest architectural achievement was Westminster Abbey, and it was the monks of that abbey who later petitioned for Edward's canonization. In the language of saints, "confessor" refers to someone who gave witness to their faith, but did not die as a martyr.

Queen Margaret of Scotland was a more obvious candidate for sainthood. Margaret was born a Princess of the House of Wessex, although her birth took place while her family was exiled in Hungary. They later returned to England, but in 1066 at the time of the Norman Conquest fled to the Kingdom of Scotland. In 1070, when Margaret was twenty-five, she married King Malcom III of Scotland, becoming Queen. Margaret was a reformer and worked with Archbishop Lanfranc of Canterbury to bring the practices of the Scottish Church into compliance with Rome. She influenced her illiterate husband by reading him stories from the Bible. Margaret was known for acts of charity and kindness throughout the nation. Each morning she would go into the city to bring food to orphans and the poor before eating her own breakfast. She attended a midnight mass every night. Margaret ordered and funded the restoration of the monastery at Iona, and established a Benedictine Monastery at Fife. She also established two ferries to assist pilgrims journeying to visit holy sites in Scotland. Among her eight children were three kings and one co-regent of Scotland, a Queen Consort of England, and an abbot.

In Hungary, Ladislaus I became King in 1077. His early reign was tumultuous and opposed by other branches of his family. Once firmly established as King, his focus was on morality and public safety, enacting law codes to regularize public and private life. While his laws were for the good of society, the punishments incurred by their violations were extravagant and often cruel. But, his law codes, did serve to make the Hungarian tribes into a more civilized society. Legends about St Ladislaus present him as the ideal knight-king and champion for morality, the epitome of chivalry. Ladislaus clashed with the pope after his conquest of Croatia in 1091, who claimed that the territory was a fiefdom of the church, and his relationship with the church was conflicted in his later years. However, in 1192, nearly one hundred years after his death, Pope Celestine III canonized Ladislaus in recognition of his personal piety and dedication to moral law.

And, so, the history of the Church continues . . .

Jesús es la Razón

En el mundo de hoy la época de Navidad comienza el día después de Acción de Gracias y termina el 25 de diciembre. Para muchos de nosotros éste es un tiempo lleno de tareas, como hornear, enviar tarjetas, escoger regalos, ir de fiestas, y poner el arbolito y las decoraciones. Si a todo esto añadimos el trabajo diario y el cuidado de nuestros hijos, este tiempo del año puede ser muy estresante. La Iglesia le da un énfasis diferente a las próximas cuatro semanas. Éste es el Adviento, un tiempo de espera, con lecturas bíblicas y oraciones que preparan nuestro corazón y nuestra vida para la venida del Señor el día de Navidad. Nuestras costumbres varían según nuestra herencia y cultura; así podemos encender la corona de Adviento, poner el árbol de Jesús, poner un nacimiento o belén u otras devociones especiales. Una costumbre de Adviento en Alemania se llama *Kristkindl* (significa "el Niño Jesús") y bien puede hacerse en familia, en pequeños grupos o aun individualmente. En la costumbre original la madre de la casa pasaba alrededor de un círculo familiar un recipiente con papelitos enrollados y en cada uno estaba el nombre de un miembro de la familia. Cada persona tomaba uno de los papelitos y miraba el nombre con cuidado de que nadie más lo viera. Durante todo el resto del Adviento la persona cuyo nombre apareció en el papel se convertía en el *Kristkindl* de la persona que agarró el papel y ésta última hacía al menos una buena acción diaria por su *Kristkindl*, ¡pero sin que la persona supiera quién lo hacía! Hasta los niños pequeños podían participar. Se convirtió en una manera hermosa de preparar el corazón de todos para servir a Cristo en otras personas. Honra a otras personas en tu *Kristkindl*: reza por ellas, ahorra dinero para enviar una donación en su nombre, haz un donativo a algún refugio público, haz tareas extras que no te hayan pedido, adopta una familia necesitada.

Join our Childcare Co-Op

Did you know that St. Norbert offers a Childcare Co-Op at the 9 a.m. and 10:30 a.m. Sunday morning Masses? The Co-Op is available for children ages 9 months to 4 years old, and parents are asked to serve quarterly. Families who are interested in utilizing this service are welcome to

stop by the Childcare Center after the 9 or 10:30 Masses any Sunday, or by contacting Yazmin Cameron at yazchica@gmail.com or (714) 393-7633.

Prayer & Meditation with Scripture

We welcome you to join us on **Tuesday evening, November 29**, when we will reflect on the upcoming Sunday Scripture readings in the Blessed Sacrament Chapel at 7:30 p.m. This weekly hour of prayer time utilizes varying prayer forms each week, including Lectio Divina, centering prayer, prayer of remembrance, Taizé prayer and Ignatian meditation. It is a time to meet with others in quiet and peace away from the busyness and noise of the world. You are all most welcome!

New to our Parish Community?

Register with us online at www.stnorbertchurch.org

Registering in a parish is a declaration of your desire to be a part of a Catholic community and a commitment to the life of the parish family. Being a registered parishioner makes things much easier when it is time for infant Baptism, school registration, weddings, when asked to be a Baptismal or Confirmation sponsor, and even funerals. We are often asked to provide affidavits for Baptismal and Confirmation sponsors. We can only do this if a person is a registered, active and contributing member in our parish.
