Stewardship

Reflecting on God's Word

Sighs allow us to sit there for a moment or two without breathing—just being there at peace and without whatever it is that we just exhaled, without our worry or our confusion or maybe even our inner pain. It's almost as if a sigh is a prayer for new spirit. On the other hand, hiccups are almost like breathing with potholes and speed bumps, like gulps of roughage to keep the good air flowing—or maybe they're gulps of spirit to get the body into balance when it's quite content to stay out of balance, a kind of forced prayer.

Lately I've been thinking about sighing and hiccupping. Maybe it's because I've grown older and sigh more often. Now when I sigh, I find myself deciding to live with life the way it is and saying to myself that it's got to be okay, because like it or not, it's all I've got. I've begun to realize that after fighting with some of my sins for sixty-some years without much ever seeming to change, maybe I just need to let God do whatever God is going to do. And so the Spirit sighs, which is another way of saying, "Jesus is Lord."

On the other hand, after sixty-plus years of living I also keep discovering new sinfulness in my life, little corners that I've allowed to get dusty by staying out of them. Like greed that I had labeled "being practical." Like protecting myself from being used, which turns out to be no more than selfishness. And every once in a while, in a moment of honesty, I'll come across one of those dusty corners, and it's a bit like trying to swallow a peanut butter sandwich without any milk. It's hard to get down, and then you start to hiccup.

Parishes in Collaboration

This weekend, all people of the Diocese of Orange will have the opportunity to donate to the Parishes in Collaboration Collection. This collection is for the purpose of assisting parishes in the Diocese of Orange that exhibit ongoing needs that cannot be paid for by their ordinary income and have urgent needs (such as repairs and maintenance).

All money donated to this collection is put into a restricted fund that will be administered by a group consisting of laity and clergy of the diocese. Parishes with needs as stated above will apply for grants from this fund to be used for their specific needs. Most recently the committee has focused the grants to safety issues including emergency electrical and plumbing repairs.

By participating in the Parishes in Collaboration Collection, all people of the Diocese of Orange are helping one another support the works of our parishes that struggle financially. Thank you for your generosity.

For the fiscal year July 1, 2017 to June 30, 2018, our parish budget calls for \$26,470 to be donated weekly at the Sunday collection in order for the Parish to break even. Weekly collections that are less than \$26,470 require the use of our reserve account to pay our expenses. **The collection total for Sunday, May 13, was \$19,589.79.** These collections are not only for operating expenses each week, but also for any ongoing repair work, upgrades, etc. to our parish facility. Your regular donations are needed for the good of St. Norbert Parish and the spread of the Gospel.

Reflexionemos sobre la Palabra de Dios

Los suspiros nos permiten quedarnos tranquilos por un momento sin respirar, en paz y sin aquello que acabamos de exhalar, desprovistos de esa preocupación o de esa confusión, o quizás hasta de nuestra pena interior. Es casi como que un suspiro fuera una oración para recibir un espíritu nuevo. Por otro lado, el hipo es casi como respirar en medio de baches y topes, como tragos de fibra, para que el aire puro siga fluyendo, o tal vez sean tragos del espíritu para equilibrar el cuerpo cuando éste se sienta bien contento de permanecer desequilibrado; es como un tipo de oración forzada.

Últimamente he estado pensando en los suspiros y los hipos. Quizás sea porque me estoy poniendo mayor y suspiro con más frecuencia. Ahora con cada suspiro decido seguir viviendo tal como voy y me digo a mí misma que todo va bien porque, me guste o no me guste, es todo lo que tengo. He llegado a caer en la cuenta de que después de estar luchando con algunos de mis pecados durante más de sesenta años sin un cambio aparente, tal vez lo que necesito hacer es dejar a Dios que haga lo que quiere hacer. Y ahí va entonces un suspiro del Espíritu, lo cual es otra manera de afirmar que “Jesús es el Señor”.

Por otro lado, después de más de sesenta años de vida también sigo descubriendo nuevos pecados en mi vida, pequeños rincones en donde he permitido que se acumule el polvo, por no entrar en ellos; como la avaricia, la cual me he convencido de que es “una cosa práctica”; como protegerme para no dejarme usar, lo cual ha resultado ser egoísmo ni más ni menos. Y de vez en cuando, durante un momento de honestidad, me encuentro con uno de esos rincones polvorientos y es algo así como tratar de tragar un sándwich de mantequilla de cacahuate sin leche; es difícil pasarlo y por eso comienzan los hipos.
